

WELCOME to FAITH

Jesus loved the church and knew it was more than a place you go, but it was about people...people like you! Here at Faith—no matter what your spiritual background or past—we would like to meet you and help you become all God intended you to be.

Here is what you'll find: Friendly people to help you find your way around, a message that is relevant to your life, a blend of music that is both traditional & contemporary, services that last about 75 minutes, and a range of programs from nursery to adult. We desire individuals and families to join with us as we journey to become fully devoted followers of Christ.

Faith Community Church is an experience...so plan to join us on a great journey! Worship with us on Sundays at 10:00AM!

REMINDER: Parents of 6th grade and younger: With summer months here, it's a good time remind families of our "pick up" procedure in the Children's Ministry. When Pre-school Kids Church & Kids Church end, all children grades 2nd grade (just completed) and younger are to be picked up by parent/grandparent or an older sibling, only with parent permission. Thank you for helping us with this safety detail.

YOU ARE WELCOME to join us on Saturday, **June 23, 5:30 p.m.** for the LifeGate Fellowship Worship Service at R. Wesley Carlson Auditorium, Humboldt High School.

BIG NEWS!! We are excited to announce our Kids Church experience for summer! We are partnering with Compassion International and will experience life in the Philippines and then life in Uganda. Take a look. Jonas is a boy we will learn about. The "Step Into My Shoes" program will let our kids gain a bigger view of children in other parts of the world. It will provide us with: Biblical teaching, videos, and hands-on cultural activities that will help transform our worldview. It will help our kids see God's bigger world and live out their faith in practical ways. And it will help to nurture spiritual formation and awaken a heart for global missions.

A VBS STAFF MEETING for anyone involved in VBS. This will be held on **Wednesday, June 27**. Supper will be provided at 5:30 p.m. and the meeting will begin at 6:00 p.m. This will be the first of two VBS staff meetings before VBS week and we will be handing out and sharing resources, etc. Please plan to join us.

VBS will be held July 30 – August 3 with the theme “Time Lab: Discovering Jesus from Eternity Past to Eternity Future. Children who will be attending 4-year old preschool this fall through those attending 8th grade this fall are welcome. If you want to be a part of our VBS team, connect with our coordinators, Sherre Johnson, Jeanne Elbert, Jill Patterson, Lori Janssen, Paula Ahlrich, or Brianna Back.

NEW TODDLER CLASS: This spring we surveyed the parents of our babies & toddlers to determine if we need to start planning for a class that is in between nursery and preschool. Answer: We do! Please make this a matter of prayer. We would like to offer this class weekly, starting this fall during the service hour or SS hour. Whatever God provides for. For now - please pray with us. Thank you!

"THE AMAZING CHEMISTRY SHOW": Josh Denhart has combined his early years as a chemistry teacher with his recent years as a children's ministry director to create "The Amazing Chemistry Show," a show that is entertaining and outreach focused. The Amazing Chemistry Show is a 32-foot stage production filled with fire, explosions and foam, all set to music. With audience involvement, laughter and fun for all ages, the message of Jesus Christ is clearly communicated using powerful illustrations. As the former director of a large children' ministry at a local church, Josh knows the value of a quality production for communicating Biblical truth and how to keep people engaged.
