

# WELCOME to FAITH

Jesus loved the church and knew it was more than a place you go, but it was about people...people like you! Here at Faith—no matter what your spiritual background or past—we would like to meet you and help you become all God intended you to be.

Here is what you'll find: Friendly people to help you find your way around, a message that is relevant to your life, a blend of music that is both traditional & contemporary, and a range of programs from nursery to adult. We desire individuals and families to join with us as we journey to become fully devoted followers of Christ.
