THE MISSIONS COMMITTEE would like to raise awareness on two ministry efforts heading into year-end. Prayerfully consider supporting these above your regular tithe as the Lord leads you:

(1) Just this week, the Committee sent \$10,000 to One for Israel to go directly toward their emergency relief effort with the war. Anyone wanting to support this effort in a greater way can do so at oneforisrael.org or by marking a special contribution "Israel" in the church offering and we will get it to the organization.

(2) There will be two trips to Guatemala in 2024 (February and June). The remaining cost for finishing the road project at Casa Angelina is an estimated \$42,000. If the Lord leads you to support this effort financially, mark a special contribution "Guatemala" in the church offering and we will put it toward this project.
